

SC-04948/57
21 August 1957

MEMORANDUM FOR: Chairman, Ad Hoc Requirements Committee

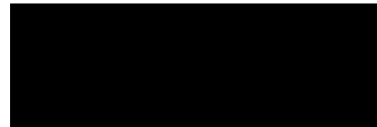

SUBJECT : Suggestions for Highest Priority Coverage
in Communist China

1. Pursuant to your instructions OCI herewith submits
for ARC review:

a. A list of highest priority targets in Communist
China arranged in geographical groups together with a state-
ment on each of the targets identifying significant installa-
tions known or believed to exist and evaluating the intelli-
gence significance of aerial coverage (TAB "A"); and

b. a map overlay showing locations of these targets
(TAB "B").
